

[EXTERNAL SENDER] Use Caution opening links or attachments

Some readers see this part of your email after the subject line in the inbox.
Write something brief and catchy, compelling them to open the email.

The flyer is enclosed in a dark blue border. At the top left, there is a dark blue rectangle with a green horizontal bar below it. On the right side, there is a diagram with three circles connected by lines: a large blue circle with a white 'R', a smaller dark blue circle with 'tidyverse' and colorful dots, and another smaller dark blue circle with 'tbep tools' and a white wrench icon. The main text is in dark blue, with the title 'R TRAINING' in large, bold letters. Below it is a subtitle in italics. The event details are listed below the subtitle. At the bottom left is the RSVP link. At the bottom right is the TBEP logo, which includes the text 'TBEP TAMPA BAY ESTUARY PROGRAM PARTNERSHIP FOR A HEALTHY BAY' and a green bar at the very bottom.

R TRAINING

An introduction to the R Statistical Programming Language to read, wrangle, and plot environmental data

REMOTE INSTRUCTION

Friday, June 19th, 2020
9am - 4pm, with breaks

TBEP
TAMPA BAY
ESTUARY PROGRAM
PARTNERSHIP FOR A HEALTHY BAY

June 19th, 9am - 4pm

The Tampa Bay Estuary Program will be hosting a remote **R training workshop on June 19th, 9am to 4pm**. This workshop will expose you to the fundamentals of using R for reproducible data analysis workflows. Please RSVP by clicking the link below and entering the required information.

Please RSVP here: <https://forms.gle/43XsiT5JdPfk59iW7>

More information will follow as the date approaches.

This workshop is part of the TBEP Open Science Subcommittee training initiative to develop a regional community of practice for open science.

Have something to share with the TBEP Open Science Subcommittee? Please email chairperson Dr. Meagan Schrandt Meagan.Schrandt@myfwc.com.

Feeling extra chipper about open science? Tweet about it using the hashtag [#TampaBayOpenSci](https://twitter.com/TampaBayOpenSci)

The mission of the Tampa Bay Estuary Program is to build partnerships to restore and protect Tampa Bay through implementation of a scientifically sound, community-based management plan.

TBEP is a partnership of Hillsborough, Manatee, Pasco and Pinellas counties; the cities of Tampa, St. Petersburg and Clearwater; the Southwest Florida Water Management District; the U.S. Environmental Protection Agency and the Florida Department of Environmental Protection.

Tampa Bay Estuary Program, 263 13th Avenue South, St. Petersburg, FL 33701
